SUMMARY

Retail store manager with eight years leading high-volume big-box locations. Known for running tight floors, hitting sales plans, and building teams that stay. Looking to bring my store operations background to an operations or project coordination role.

EXPERIENCE

Store Manager, Hartwell Home & Hardware, Columbus, OH

March 2021 - September 2026

- Ran a $14M-volume store with 62 associates across three shifts and four department leads.
- Owned the weekly labor schedule in Kronos and kept payroll within 2% of plan for 11 straight quarters.
- Led the store through a full planogram reset of 18,000 SKUs over six weeks without closing a department.
- Cut shrink from 2.9% to 1.6% of sales by fixing receiving checks and retraining the back-of-house crew.
- Handled district walk-throughs, corporate audits, and OSHA safety checks; zero recordable incidents in 2024 and 2025.
- Coordinated with the DC on truck schedules and freight flow; got trucks worked within 6 hours of arrival.
- Hired, trained, and coached associates; promoted 9 associates into key holder or department lead roles.

Assistant Store Manager, Hartwell Home & Hardware, Dublin, OH

June 2018 - February 2021

- Ran the freight and receiving side of the store: 3 trucks a week, inventory counts, vendor returns.
- Built the store's cycle count routine in Excel; the store passed annual inventory with the best variance in the district two years running.
- Covered for the store manager during a 4-month leave and kept the store on plan.
- Point person for the POS and handheld scanner rollout; trained 40 associates on the new system.

Department Supervisor, Brightway Grocery, Westerville, OH

August 2016 - May 2018

- Supervised a 14-person produce and deli team; wrote the weekly schedule and ordering.
- Cut produce waste by reworking order quantities against sales history.

SELECTED PROJECTS

Holiday readiness, 2023-2025: planned staffing, freight flow, and floor sets for the November-December peak each year; built the hiring plan for 25 seasonal associates and the day-by-day freight calendar.

New store support, 2022: one of three managers loaned to open the Grove City store; set up the receiving process and trained the opening crew of 45.

District scheduling pilot, 2024: tested a new self-scheduling feature in Kronos for the district; wrote the how-to guide the other 11 stores used.
